

## **Canpro Investments, Ltd. Welcomes the GSA to Lakeville Corporate Park**

### **Tenant Fit Up by BKA Architects and Construction by J. Calnan & Associates**

**BROCKTON, MA, August 31, 2009** – Canpro Investments, Ltd. (CANPRO) welcomes the U.S. General Services Administration (GSA) to the recently completed office building located in the Canpro Lakeville Corporate Park in Lakeville, Massachusetts. BKA Architects of Brockton, Massachusetts provided the architectural and interior design services, and J. Calnan & Associates, Inc. of Quincy, Massachusetts was responsible for the construction.

The third, 30,000 square foot office building of the Canpro Lakeville Corporate Park in Lakeville, Massachusetts completed in 2008 has been a successful development for Canpro Investments Ltd. Mr. Ofer Drucker, Senior Vice President of Canpro Investments, Ltd. and Jeanne Alexander, Property Manager for Canpro Lakeville Corporate Park are pleased to welcome the U.S. General Services Administration to the property. The GSA has a ten-year lease with two (2) five-year options for renewal. Utilizing the design services of BKA Architects and Avid Engineers, a design for the new space was developed that would meet the client's many complex requirements.
